

Bathroom Design Guide

All that you want

Imagine...

...having an Interior Designer to be your guide and source to take you from feeling stuck and frustrated to having a space that...

- ✓ Makes you smile
- ✓ Helps you to be more organised
- ✓ Reflects your personality

Meet Lorna!

Lorna Smith is an Interior Designer based in Chichester, West Sussex working in Residential and Commercial Interior Design.

“

I was born in South Africa and now live in the South Coast of England, I find joy in the beauty of my surroundings, drawing inspiration from nature, architecture, and the vibrancy of life.

After working as an Optometrist prior to starting a family, I was motivated to transform a lifelong passion into a profession after constructing our own family home.

I completed an Interior Design Diploma and established Lorna Smith Interiors.

Best regards,

Lorna Smith
Interior Designer

”

“We are so pleased with our updated bedroom, it is just perfect for us, Lorna used our existing items and made them all work together in a way we could not do on our own.”

Project Profile

LUXE MARBLE BATHROOM

SERVICE

BATHROOM DESIGN

A thoughtfully designed bathroom can set the tone for your day, it is the place we start and end our day, so to create a calm space that works hard for us is imperative.

In designing your ideal bathroom, we consider the following:

- Regulations
- Existing Plumbing
- Adjacent rooms
- Circulation space
- Who will use the bathroom
- What fittings are required: Bath, Shower, Toilet, Bidet, Urinal, 1 or 2 basins, magnifying mirror, plugs
- Accessibility
- Storage
- Lighting and power
- STYLE

Investment:
From £500per room (+VAT)

Timeframe:
Average 1 -2 weeks

The Process:

- Consultation: I will take a detailed brief to understand your needs and style
- To get Started: We will need plans, elevations, furniture layout and photographs (we can do these plans if you do not already have them)

Deliverables:

- Detailed plan: Showing flooring, all the fittings, taps, lighting and accessories
- Elevations: Showing tile layout, accesories position, switches, sockets and lighting
- Fixtures and Fittings Schedule: Including recommended fittings with supplier info, and links to purchase.
